Monthly Newsletter for A Woman's Choice Resource Center & Necole's Place

June 2011

Dear Leisa,

We hope you had a wonderful Father's Day. Fourth of July is just around the corner. We can look forward to celebrating the Unites States' independence. This country was founded on our belief in God. May we all remember to thank God for our independence and for the blessings he has brought this country.

Have a joyful, blessed Fourth of July!

Sincerely,

The Staff of A Woman's Choice & Necole's Place

## Vision and Mission

As part of our ongoing strategic planning, we created AWC's first-ever vision statement recently and revised our mission statement. Formerly we had two separate mission statements--one for the pregnancy centers, and one for Necole's Place. We wanted to capture our mission in a unified statement that covers all we do--no matter where we do it!

Vision: We are a beacon of hope, presenting abundant life through Jesus Christ as the only choice.

Mission: We exist to protect the lives of unborn children and to present the Gospel of Jesus Christ in word and deed to those who are facing or have experienced a crisis pregnancy. We accomplish this by encouraging and equipping them to live productive lives empowered by God.

Please pray for us as we continue our strategic planning process.

## Quick Links

Two great events happened in June. On June 18th, we hosted a brunch for the Crocheting for Christ ministry--volunteers who weekly deliver crocheted and hand-knit baby blankets for saved babies. Staff were blessed to return the blessing to these behind-the-scenes volunteers because we never get to see them, only their beautiful handwork. If you crochet or knit and are looking for a way to keep your hands busy, let us know!

On June 27th, we hosted evangelism training at Southeast Christian Church. Nearly 70 trainees from 4 area pregnancy centers were able to participate. Special thanks to Bonnie Epperson and Southeast Christian Church for providing the space, and helping us with the event planning and catering for the all day event.

## Scramble Fore Life Recap

Our third annual Scramble Fore Life was held on June 20th at Fuzzy Zoeller's Covered Bridge Golf Club. It was a fun event and we had great weather!

## Praise Reports & Prayer Requests

Praise Reports: Long time pregnancy counselor Janet Backman was privileged to counsel a very abortion-minded mother during June and see the Lord work to save two lives. Yes, indeed--the mother was carrying twins, and the mom was only made aware of that fact by the ultrasound we provided. Seeing two hearts beating on the screen turned this woman away from death to life. We pray that ultimately, it will be three lives spiritually saved as our relationship with this mom continues.

Also, supporters donated funds for Country Lake camp scholarships, allowing some children of our clients to go to summer camp this year! What a blessing!

Prayer Requests: Pray daily for our staff and our clients, that through the power of the Holy Spirit, staff and volunteers speak words of truth and light, and that through the Holy Spirit, the hearts of those hearing the truth would be softened and turn to trust Christ.

Pray for clients studying for their GED to see success and progress, and that they would grow during their studies to know that God gets the glory and that He has a plan for them.

## Baby Bottle Campaign Update

Thanks to all of you who participated in our Baby Bottle campaign. We handed out a record number of bottles this year!

The bottles have been flowing back in for the past two weeks. We still have many more yet to come back in.

If your church has not yet participated--it is not too late. A number of churches do the Baby Bottle campaign later in the year. Contact Leisa Krish at 502-569-0494 or [leisa.k@awomanschoice.org](mailto:leisa.k@awomanschoice.org) to get involved.

Please continue to pray that the church members are able to find the means to support this campaign by putting their spare change in the bottles and that we are blessed with many more bottles returned.
