### Giving Thanks

Thanksgiving is more than just a day for us--it is a way of life for us in this ministry! Below are a few of the many things for which we thank God.

This year we had about **60 churches and groups involved in our baby bottle campaign**--17 new churches joining this year! We had a record number of baby bottles handed out and we saw a 9% increase in funds raised over last year's campaign--what a blessing. The Baby Bottle Campaign spreads the word to thousands of people about our ministry and what we do. If your church was not involved this year please call us at (502)569-0494 to get involved in 2012.

We are grateful for our 16 **board members**. Our board has put in a lot of time in prayer, regular meetings, strategic planning, and in both attending and helping plan our events.

We appreciate their support and passion for this ministry.

So far we have had 560 **active donors** this year (including 71 businesses). We are so thankful for the support of so many to help us in the fight to save lives. If you know of someone who may have a heart for our ministry please invite them to take a tour of our facilities. We are hosting a tour every third Wednesday of the month. This is a great way to ensure that our number of supporters continues to grow, as the need for our services continues to grow.

We are heavily dependant on **volunteers** to keep our programs going, thus **we are so thankful for our volunteers** ! Our volunteers counsel clients, answer phones, do data entry, help sort and inventory our benevolence, serve lunches, teach bible study, do GED tutoring, help with childcare, help plan our events, teach classes and so much more--they logged 4,276 hours so far this year! **We couldn't do it without them.**

We thank God daily for our many volunteers and pray that He leads many more to serve with us. If you feel called to volunteer and would like to learn more about how to volunteer with us please contact Victoria Wildt at (502)569-0494 x115 or click [here](#).

Praise God for our **Prayer Partners**. We have a core team of four intercessors, and 31 faithful prayer partners praying for us this year. Their prayers for the protection of this ministry and all of us involved has been invaluable. We have seen many prayers answered and felt God's peace as our prayer support has increased.

We have a total of 24 **employees** and we thank God for calling all of us to this ministry and allowing us to see Him work daily. We are thankful for the calling and the tremendous amount of passion instilled in each of us to save lives and further God's kingdom. We are blessed to work in this ministry.

We are grateful for a **newly renovated kitchen** at Necole's Place and tremendously thankful to the four different groups and three churches that have stepped up to help us get the necessary work done and the expenses covered. God showed us many blessings throughout this process.

At **AWC** 942 ultrasounds have been performed, an estimated 650 babies will be saved by year end, and over 18,000 benevolence items have been given out. Our benevolence help included providing over 2700 baby outfits, 1651 Onesies, 1200 packs of diapers, and 875 packs of wipes, just to name a few. Praise the Lord!

At **Necole's Place**, we've helped about **300 Moms** so far in 2011 (an average of 87 women and 49 children each month), 103 women have participated in either GED classes or tutoring, 43 women have completed nearly 290 hours of Bible Study, 240 counseling hours were logged for over 50 individual clients, 3 GEDs were earned, and 9 Moms have been saved since this summer. To God be the glory.

**And, we are grateful for YOU!**

Give thanks to the Lord, for He is good; His love endures forever. **Psalm 118:1**
