Center & Necole's Place

October 2011

If we continue the year as we are going we are on pace to increase the number of saved babies this year over last year by 15%! We couldn't do this without your prayers and support. We hope you enjoy your update about the ministry this month.

Sincerely,

The Staff of A Woman's Choice & Necole's Place

### Save a Life Tours

On October 19th, 2011 we held the first of our regular pre-scheduled monthly tours.

We are calling them "Save a Life" tours. The tours will be held the third Wednesday of every month at 8:00 a.m. and will start out at our main pregnancy center located at 101 W. Market Street. Parking is available at street meters or at our 140 W Market Street location in our lot behind the building.

The tours will last just one hour and will give you information about what's going on at AWC and Necole's Place, include a testimonial from a client and you will be able to see all three locations. Continental breakfast will be served.

Please join us if you have not seen our facilities and be sure to invite anyone else you feel may have a heart for our ministry. Call Lorie at 502-569-0494 x117 to let her know you are coming.

## Client Retreat a Success!

"Get Alone with God" was the theme of our recent Necole's Place client retreat. We had 7 girls who attended from 10am until 2 p.m. at Necole's Place on Chestnut Street. We facilitated the retreat to introduce the women to the comfort and meaningful time they can share alone with God and the importance of intentional time set aside for this. We focused on prayer, praising God for who He is, the importance and freedom in confessing sin and thanking God for His love for us. Each young lady shared something personal to them and then thanked Him for it.

Opening up to God for many of these women is a new concept and opening up to one another and our staff is a big step. One of our girls came with a heavy heart. After a day of reflection, Angie Matlock, a long time volunteer who helped lead and facilitate the retreat offered to pray alone with her and in the end, the young lady gave her life to Christ and was saved that

day.

The women came away excited and joyful. Some have even taken on some of the responsibility to help plan to make this a repeat event. We are so thankful to God!

## Outdated Ultrasound Machine

Many of you may recall that in January 2010, we had a special pledge drive with Salem Radio Group to raise funds for a new 3D/4D ultrasound machine. Our ultrasound machine at our main pregnancy center was getting a little old, and an ultrasound instructor and expert told us the technology had improved to a point that perhaps we should consider replacing it. What we didn't know at the time was that the Lord would open the doors to 140 W. Market Street, our satellite location next to the abortion clinic. So instead of replacing our old 3D/4D machine with a new machine, we put the new machine at our new location in November 2010, and kept the old machine in service at our main center. What an amazing turn of events and

miracle of God's provision!!

Fast forward to late 2011...Our old GE ultrasound machine is reaching the end of its useful life. We really do need to replace it because

soon, replacement parts will no longer be available for this machine. We perform over 1,000 ultrasounds annually--and all of those are for abortion-minded and abortion-vulnerable women. Please join us in prayer for God's miraculous provision again to meet this need.

### Prayer Requests

This month we ask that you pray for this ministry in the following ways:

- For God's continued favor on ministry outreach, expansion & strategic planning processes. He is unfolding in the hearts and lives of our Board of Directors in this year.

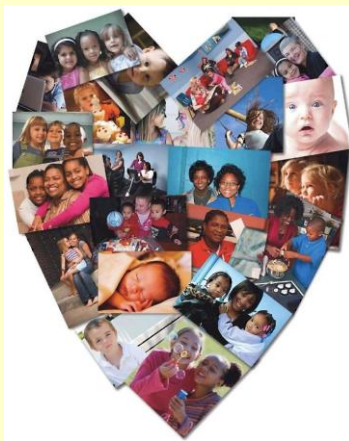

- For each of staff member to be renewed daily in their dependence on God for wisdom and favor in their struggles and challenges.

- Pray for the women God brings to us to share His love and His Salvation through the gift of His Holy Spirit.

- Please pray for the present and future volunteers that God will help us walk with them, train them and love them for His Glory.

- Pray with us as we pray God's continued guidance and blessing on behalf of our donors. Whether they are Prayer, Talent or Monetary donors we are abundantly blessed by them.

- That God continue to bless us all with His presence and unity of heart and spirit.

Thank you so much for joining us in prayer. Through God all things are possible.
